DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

An information disclosure statement must be (1) in compliance with the content requirements of 37 CFR 1.98, and (2) filed in accordance with the procedural requirements of 37 CFR 1.97. The IDS filed October 3, 2011 has not been considered. Applicant has failed to pay the 1.17(p) fee along with the 1.97(e) statement provided by the applicant. Furthermore, the reference was not listed on a 1449, so even if the document was considered it would not have been listed. The fact that the IDS is in the wrong format is a 1.98 requirement.
